01、书法

书法(calligraphy)是中国文化的精髓。书法 中 随处可见，与日常生活紧密相连。书法作品能装点客厅、书房和卧室。它是将汉字写在吸水性良好的宣纸(Xuan paper)上，然后将作品贴在一镶有丝绸边的厚纸上，安上卷轴(scroll)或用画框装裱起来挂墙上。书法作品通常是一首诗、一副对联或主人很喜欢的座右铭。主人亲自书写的作品将体现他的愿望、兴趣以及文学或艺术才华。一幅书法作品可以给白色的墙壁增添活力，为宾客友人带来快乐。

参考译文：

Calligraphy is the essence of Chinese culture. It can be found everywhere in China, and is closely linked to daily life. Calligraphic works decorate sitting rooms, studies and bedrooms. The Chinese characters are written on Xuan paper which is good at absorbing ink. The work will be pasted on a piece of thick paper with a silk edge, and then mounted on a scroll or put into a picture frame for hanging on the wall. Usually, a calligraphic work contains a poem, a pair of couplets, or a motto the owner likes very much. If the calligraphic work is written by the owner himself, it will demonstrate his wish and interest as well as his literary or artistic talent. A calligraphic work can bring vitality to the white wall, pleasure to guests and friends.

01、指南针

中国是世界上公认发明指南针的国家。早在 2400 多年前，中国人就创造出世界上最早的指南针。后来经过不断改进，到宋朝(the Song Dynasty)人们制造出铁针指南针并应用于航海。中国是第一个在海船上使用指南针的国家。指南针为明代(the Ming Dynasty)郑和下西洋提供了条件。后来指南针传入欧洲，推动了欧洲航海事业的发展，哥伦布(Columbus)的航行提供了技术保证。

参考译文：

China is universally recognized as the country having invented the compass. As early as 2,400 years ago, Chinese people created the earliest compass in the world. Later it was further improved continuously. During the Song Dynasty, people produced the compass with iron needles and applied it in navigation. China is the first country to use the compass on seagoing ships. The compass provided aid for Zheng He's voyages to the Western Ocean in the Ming Dynasty. Later the compass spread into Europe, promoting the development of the European marine industry and guaranteeing technical support for Columbus' navigation.

02、造纸术

古代，著作和铭文(inscription)通常写在竹片或丝绸上。但丝绸昂贵，竹片太重，使用起来都不方便。后来蔡伦开创了用树皮造纸的方法。传统上人们认为他是纸张和造纸术的发明者。尽管公元前 2 世纪中就已经有了早期的纸，但蔡伦促成了纸张的首次重大改进，并通过添加至关重要的新材料使造纸过程标准化。蔡伦发现了造纸材料的组合方式，发明了造纸术。这项发明使蔡伦闻名于世，甚至使他有生之年就已经

得到了认可。

参考译文：

In ancient times, writing works and inscriptions were generally written on tablets of bamboo or on pieces of silk. But silk being costly and bamboo heavy, they were both not convenient to use. Then Cai Lun initiated the method of making paper with the bark of trees. Traditionally, he is regarded as the inventor of paper and the technique of papermaking. Although early forms of paper had already existed in China since the 2nd century BC, he fostered the first significant improvement and standardization of papermaking by adding essential new materials into papers composition. Cai found the composition of paper and invented the technique of papermaking. Cai was reputed for this invention in the world, and even in his own lifetime he was already given recognition for it.

03、中华老字号

中华老字号(China centuries-old/time-honored brands)是指那些历史悠久并拥有良好信誉的中国企业。这些企业往往具有鲜明的中华民族传统文化特征,拥有高品质的产品、技艺或服务,取得广泛的社会认同。同仁堂(Tongrentang)和全聚德(Quanjude)均属北京的老字号。同仁堂创建于 1669 年,其药品以优良的传统工艺和显著的疗效享誉海内外。以北京烤鸭闻名的全聚德创建于 1864 年,是中国著名的饭店。

参考译文：

China time-honored brands refer to Chinese companies that have a long history as well as a good reputation. With distinct characteristics of traditional Chinese culture, they get extensive public recognition by offering good-quality products, techniques or services. Both Tongrentang and Quanjude are the time-honored brands in Beijing. Tongrentang was founded in 1669, and its medical products have enjoyed a good reputation both at home and abroad for excellent traditional manufacturing techniques and good effects. Founded in 1864 and well-known for its Beijing roast ducks, Quanjude is a famous restaurant in China.

04、印刷术

印刷术发明之前,想出版新书的学者必须一字一字地抄写。北宋时期,经过多年的实验,毕昇发明了活字印刷术(movable-type printing)。他把汉字刻在一小块泥胚(pieces of clay)上,加热汉字直到其变成硬的活字。印书时,人们按顺序将活字摆在一起,印出印迹。印刷完后,他们把字分开,以后重复使用。这种方法既经济又省时。中国的活字印刷术首先向东传至朝鲜和日本,之后向西传至波斯(Persia)和埃及,最后传遍全球。活字印刷术发明促进了世界各国的文化交流。

参考译文：

Before printing was invented, a scholar had to copy characters one by one if he wanted to publish a new book. During the Northern Song Dynasty, Bi Sheng invented movable-type printing after many years of experimentation. He engraved the characters on small pieces of clay and heated them until they became hard movable characters. When printing a book, people placed the moveable characters in order into a whole block and then ran off a print. After printing, they took the block apart and reused the characters later. This method was

both economical and time-saving. China's movable-type printing first spread eastward into Korea and Japan, then westward into Persia and Egypt, and at last, around the world. The invention of movable-type printing greatly promoted cultural exchanges among countries all over the world.

05、圆明园

圆明园(Yuanmingyuan Imperial Garden)位于北京西郊,于 1708 年开始兴建。经过几十年的建造、装饰和改建,圆明园成为当时世界上最出色的园林之一。圆明园继承了中国园林建筑的传统,把不同风格的园林建筑融为一体,充分体现出和谐与完美。除此之外,圆明园在世界园林建筑史上也占有非常重要的地位。遗憾的是,经过几场战争,今天的圆明园只是一片废墟。

参考译文:

Located in the west suburb of Beijing, Yuanmingyuan Imperial Garden was first constructed in 1708. After decades of construction, decoration, and reconstruction, Yuanmingyuan Imperial Garden had become one of the most excellent gardens in the world at that time. It earned forward the tradition of Chinese garden building by combining garden architectures of different styles to give full expression of harmony and perfectness. Besides this, Yuanmingyuan Imperial Garden also had a very important position in the world history of garden architecture. It is a pity that after several wars, today's Yuanmingyuan Imperial Garden is only a heap of ruins.

06、中国高铁

中国目前拥有世界上最大最快的高速铁路网。高铁列车的运行速度还将继续提升,更多的城市将修建高铁站。高铁大大缩短了人们出行的时间。相对飞机而言,高铁列车的突出优势在于准时,因为基本不受天气或交通管制的影响。高铁极大地改变了中国人的生活方式。如今,它已经成了很多人商务旅行的首选交通工具。越来越多的人也在假日乘高铁外出旅游。还有不少年轻人选择在一个城市工作而在邻近城市居住,每天乘高铁上下班。

参考译文:

China now is home to the largest and fastest high-speed rail network in the world. The speed of the CRH (China Railway High-Speed) train will continue to increase and more cities will build high-speed rail stations. The CRH train has greatly reduced people's travel time. Compared with the airplane, the outstanding advantage of the CRH train is punctuality, because it is basically not affected by weather or traffic control. It has transformed the way people live and become the favorite option for business travelers today. More and more people also travel by CRH train during holidays. Many young people choose to work in one city but live in a nearby one since they can commute by CRH train every day.

07、共享汽车

乌镇是浙江的一座古老水镇，坐落在京杭大运河河畔。这是一处迷人的地方，有许多古桥、中式旅店和餐馆。在过去一千年里，乌镇的水系和生活方式并未经历多少变化，是一座展现古文明的博物馆。乌镇所有房屋都用石木建筑。数百年来，当地沿着河边建起了住宅和集市。无数宽敞美丽的庭院藏身于屋舍之间，游客们每到一处都会有惊喜的发现。

参考译文：

Wuzhen is an ancient "Waterside" in Zhejiang, located in the bank of Jing Hang Canal. This is a charming place where there are many old bridges, hotels in Chinese style and restaurants. Over the past 1,000 years, there were no obvious changes in the water systems and lifestyles in Wuzhen, which is a museum that shows the ancient civilizations. All buildings in Wuzhen are built by stones and woods. For hundreds of years, local people have built up houses and markets along the riverside. Countless beautiful and capacious yards are hidden between houses. And visitors will be surprised when they see them.

12、 中国画

国画(Chinese painting)是世界上最古老的艺术传统之一。绘画时用毛笔蘸黑墨或彩墨在纸张或丝绸上作画。根据表现手法，国画可分为写意派(the Xieyi school)和工笔派(the Gongbi school)两大类。写意派以自由表达和形式夸张为特点；工笔派则注重以精细的笔法描绘细节。山水画被公认为国画的最高形式。纵观历史，不同时期的国画都相应地反映出人们的社会意识。

参考译文：

Chinese painting is one of the oldest artistic traditions in the world. The painting is done on paper or silk with a brush dipped in black or colored ink. According to the means of expression, Chinese paintings can be divided into two categories which are the Xieyi school and the Gongbi school. The Xieyi school is characterized by free expression and exaggerated forms, while the Gongbi school attaches importance to detail with fine brushwork. Landscape painting is widely regarded as the highest form of Chinese painting. Throughout history, the Chinese paintings at different times mirror people's social consciousness accordingly.

13、 港珠澳大桥

港珠澳大桥(Hong Kong-zhuhai-macau Bridge)全长 55 公里，是我国一项不同寻常的工程壮举。大桥将三个城市连接起来，是世界上最长的跨海桥梁和隧道系统。大桥将三个城市之间的旅行时间从 3 小时缩短到 30 分钟。这座跨度巨大的钢筋混凝土大桥充分证明中国有能力建造创纪录的巨型建筑。它将助推区域一体化，促进经济增长。大桥是中国发展自己的大湾区总体规划的关键。中国希望将大湾区建成在技术创新和经济繁荣上能与旧金山、纽约和东京的湾区相媲美的地区。

参考译文：

With a total length of 55 kilometers, the Hong Kong-zhuhai-macau Bridge is an extraordinary engineering in our country. As the longest cross-sea bridge and tunnel system in the world, the bridge connects Hong Kong, Zhuhai and Macau, shortening the traveling time among the three cities from 3 hours to 30 minutes. This reinforced concrete bridge with huge spans fully proves that China has the ability to build record-breaking huge construction. It will enhance regional integration and promote economic growth. The bridge is the key to China's development of its own master plan for the Great Bay Area. China hopes to build the Great Bay Area into an area comparable to the Bay Areas of San Francisco, New York and Tokyo in terms of technological innovation and economic prosperity.

14、社群学习

社群学习在消费升级（upgrade）下的新时代，在线教育市场变得越来越成熟，付费社群模式正引领潮流。总体来说，付费社群学习内容具有专业性、稀缺性和系统性等特性。付费社群模式兼顾学习内容的深度和系统性，因而拥有更强的用户黏性（engagement）。一个好的付费社群不仅能在知识含量上满足用户的需求，还能为用户提供系统性高质量的内容。

参考译文：

In the new era of consumption upgrades, the online education market is becoming increasingly mature, and the paid community model is setting the trend. On the whole, learning materials provided by paid communities have distinct characteristics including professionalism, scarcity, and being systematic. This model provides users with learning materials that are both systematic and concerned with the depth and therefore has stronger user engagement. A good paid community can not only meet the needs of users in terms of the quantity of the contents, but also provide users with systematically organized contents of high quality.

15、唐朝

唐朝(the Tang Dynasty)是普遍公认的中国最辉煌的时期之一。唐朝时期许多领域得到了巨大的发展。唐朝的疆域在军事扩张下已超过了汉朝(the Han Dynasty)。农业和灌溉工具有了很大的进步，农业经济十分发达。在商业上，唐朝与更多国家有了贸易往来。唐朝也是文学和艺术的黄金时期。盛唐时期出现了整整一代文学巨匠，其中包括唐诗“双圣”李白和杜甫。

参考译文：

The Tang Dynasty is universally recognized as one of the most glorious periods in China. It has seen great progress in many fields. Great advances have been made in agriculture and irrigation tools, making a prosperous agricultural economy. In business, the Tang Dynasty had trade contacts with more countries. The Tang Dynasty was also the golden age of literature and arts. In the high tang period, there appeared a whole generation of literary giants including LiBai and Du Fu, the twin masters of Tang

poetry.

16、景泰蓝

景泰蓝 (Jing Tai Lan/Chinese cloisonne) 是中国的一种传统艺术品。因其在明朝 (the Ming Dynasty) 景泰年间盛行，而且以蓝色为主，故而得名“景泰蓝”。它采用一些贵重金属作为原材料，集绘画、工艺、艺术为一体。景泰蓝典雅精美，具有独特的民族风格和浓厚的文化韵味。在明清两朝 (the Ming and Qing Dynasties), 景泰蓝都是皇家专用的器物饰品，象征着尊贵与财富。景泰蓝也在此时开始随着商船走向海外。

参考译文：

Jing Tai Lan is a kind of Chinese traditional works of art. It got the name because it was very popular during the years of Jing Tai in the Ming Dynasty with blue as its main color. It uses some precious metals as raw materials, combining painting, craft, and art. Jing Tai Lan is elegant and beautiful with a unique national style and rich cultural flavor. During the Ming and Qing Dynasties, Tai Lan was the decorative article owned only by royal families, a symbol of being noble and wealthy. Also at that time, Jing Tai Lan began to go overseas with trade ships.

17、长江

长江，又名扬子江 (the Yangtze River), 全长 6300 多千米，是中国第一大河，世界第三大河。长江发源于青藏高原 (the Qinghai-Tibet Plateau), 流经多个省市。因富产粮食，长江中下游被称为“中华文明的摇篮” (the cradle of Chinese civilization)。长江两岸风景优美，有众多的名胜古迹。千百年来，长江在农业、工业、运输及战争中发挥着重要的作用。然而近年来，长江遭受了工业污染和湖泊流失，并由此引发了季节性洪水。

参考译文：

The Changjiang River, or the Yangtze River, has a total length of more than 6,300 km. It is the longest river in China and the third-longest one in the world. It rises in the Qinghai-Tibet Plateau and flows through many provinces and cities. The middle and lower reaches of the river have been called the cradle of Chinese civilization for their abundance of food produced. Along the two sides of the river is beautiful scenery with many scenic spots and historical sites. For thousands of years, the river has been playing an important role in agriculture, industry, transportation, and war. But in recent years, the river has suffered from industrial pollution and loss of lakes, which has brought seasonal floods.

18、红楼梦

《红楼梦》 (A Dream of Red Mansions) 写成于 18 世纪，是中国著名的古典长篇小说。小说共计 120 回，前 80 回的作者是曹雪芹，后 40 回由高鹗完成。通过对贾氏封建大家族 (feudal clan) 生活的生动描述《红楼梦》展示了清朝 (the Qing Dynasty) 封建社会的兴衰。小说塑造了大量的人物，其中主要人物就将近 40 个。以该小说为题材的艺术作品很多，其中最成功的当属 1987 年由王扶林导演的电视连续剧《红楼梦》。

参考译文：

Written in the 18th century, A Dream of Red Mansions is a famous Chinese classical novel.

In this 120-chapter novel, the first 80 chapters were written by Cao Xueqin and the left 40 by Gao E. With vivid descriptions of the life in the big feudal clan of Jia, the novel reveals the rise and fall of the feudal society in the Qing Dynasty. The novel shapes a large number of characters and nearly forty are considered major ones. A lot of artistic works have been produced based on the novel, among which the most successful is the TV series A Dream of Red Mansions directed by Wang Fulin in 1987.

Even now it is still often used as a reference book in medicine.

20、元青花瓷

元代(the Yuan Dynasty)是中国瓷器(porcelain)发展史上一个重要的时期。基于先前朝代的烧制技术景德镇成功地制作出青花瓷(the blue and white porcelain)。元青花瓷富丽雄浑, 其风格与传统的瓷器大相径庭。元青花瓷的出现也使景德镇成为当时世界制瓷业的中心。元青花瓷制作精美而且传世极少, 因此异常珍贵。青花瓷的制作在明清两朝(the Ming and Qing Dynasties)得到进一步发展, 其中的精品是许多收藏家的终极目标。

参考译文:

The Yuan Dynasty is a key period in the development of Chinese porcelain industry. Based on the firing techniques of former dynasties, the blue and white porcelains had been successfully manufactured in Jingdezhen. The blue and white porcelains of the Yuan Dynasty are grand and splendid, whose styles are quite different from those of the traditional porcelains. The rising of blue and white porcelain in the YuanDynasty also made Jingdezhen the center of the porcelain industry in the world at that time. Finely made and rarely handed down, the blue and white porcelains of the Yuan Dynasty are extremely precious. The blue and white porcelains were further developed in the Ming and Qing Dynasties. Some fine works are the dream targets for collectors。

21、京剧脸谱

京剧脸谱(the facial makeup of Beijing Opera)是具有民族特色的一种独特的化妆方法。它最大的特点在于借助不同的色彩来展示人物的性格。脸谱的颜色使观众对人物的善恶美丑一目了然。通常红色代表忠诚；黑色象征正直；紫色意味公正；黄色喻示残暴(brutality)。此外，脸谱还常常带有图案(design)来表述某个故事，比如后羿脸谱上有九个太阳，表明他曾经用箭射掉了九个太阳。

参考译文：

The facial makeup of Beijing Opera is a unique makeup method with Chinese national characteristics. It has the best feature of showing the characters with various colorful facial paintings. The audience knows the good or evil character of a role directly based on the color of the face. Usually, red represents loyalty; black integrity; purple justice, and yellow brutality. In addition, the facial makeup often comes with designs to tell some story. For instance, Hou Yi has nine suns painted on his face, indicating that he has ever shot nine suns from the sky.

22、黄颜色

自古以来黄颜色就与中国传统文化有着紧密联系。中国的第一个皇帝称为“黄帝”(Yellow Emperor)；中华民族的母亲河为“黄河”；中国人的皮肤为“黄皮肤”。五行学说(the theory of five elements)认为黄颜色位居五行的中央，居于诸色之上，最为贵，黄色也因此被定为皇帝服装的颜色。明清两朝(the Ming and Qing Dynasties)，黄色为皇家专用色彩，是权力的象征。直到现在，黄色仍然是中国人最喜爱的颜色之一。

参考译文：

Since the ancient times, the color yellow has a close relationship with the Chinese traditional culture. The first emperor in China was called "Yellow Emperor"; the Mother River of the Chinese nation is the "Yellow River"; the Chinese people have "yellow skin". According to the theory of five elements, yellow was in the middle of the five elements, coming first of all colors. Therefore, it was viewed as the noblest color, a color for the clothing of emperors. During the Ming and Qing Dynasties, yellow was the exclusive color for the Emperor families, which was a symbol of power. Until now, yellow is still one of the Chinese favorite colors.

23、移动支付

过去几年里，移动支付市场在中国蓬勃发展，随着移动互联网的出现，手机购物逐渐成为一种趋势。18 到 30 岁的年轻人构成了移动支付市场的最大群体。由于现在用手机付款极容易，许多消费者在购物时宁愿用手机付款，而不愿用现金或信用卡。为了鼓励人们多消费，许多商店给使用移动支付的顾客打折。专家预测，中国移动支付市场未来仍有很大发展潜力。

参考译文：

In the past few years, the mobile payment market has flourished in China. With the advent of the mobile Internet, mobile shopping has gradually become a trend. Young people aged between 18 and 30 constitute the largest group in the mobile payment market. (Young

people between the ages of 18 and 30 make up the largest segment of the mobile payment market.) Since it is extremely easy to pay by mobile phone now, many consumers prefer to pay by mobile phone when shopping, rather than in cash or by credit cards. (Because it is so easy to pay by mobile now, many consumers would rather pay by mobile phone than in cash or by credit card when shopping.) To encourage people to spend more, many stores offer discounts to customers who use mobile payments. Experts predict that China's mobile payment market still has great potential for development in the future.

24、七夕

七夕节(Double Seventh Festival)是中国最具浪漫色彩的传统节日。每年农历(lunar calendar)七月初七就是七夕节，亦称“乞巧节”。七夕节起源于中国古代牛郎(Cowherd)和织女(Weaver Maid)的爱情神话，他们的故事感动了一代又一代的中国人。许多有情男女会在七夕的晚上祈祷自己的姻缘美满，期望“有情人终成眷属”。近年来，越来越多的都市青年男女把这个节日当作“中国情人节”(Chinese Valentine's Day)。

参考译文：

The Double Seventh Festival is the most romantic traditional Chinese festival. Also known as "Qiqiao Festival", it falls annually on the 7th day of the 7th month of the lunar calendar. The festival came from an ancient Chinese romantic fairy tale about the Cowherd and the Weaver Maid, which has deeply moved generations of Chinese people. Many men and women in love usually pray for a happy marriage on that night, hoping for "a happy ending for true love". In recent years, more and more youngsters in cities celebrate the Double Seventh Festival as Chinese Valentine's Day.

25、丽江古城

丽江古城有 800 多年的历史，曾经是茶马古道(the old teahorse road)上的一个贸易集结点(confluence)。丽江因其有序的水道和桥梁系统而闻名。丽江古城在建筑、历史及其原住民纳西族(the Naxi people)的文化传统方面不同于中国其他古城。古城沿山脉和河流而建，为我们提供了一个研究古代建筑的非常珍贵的样本。独特的地理位置、历史背景以及多民族的居民，都使丽江成为最特别的古城之一。

参考译文：

The old town of Lijiang has a history of more than 800 years and was once a confluence for trade along the old tea horse road. It is famous for its orderly system of waterways and bridges. The old town of Lijiang differs from other ancient Chinese cities in architecture, history and the culture tradition of its local residents-the Naxi people. The town is built along mountains and rivers, providing us with a very precious sample of the research on the old-time architecture. The unique geographical location, historical background and multiracial inhabitants make it one of the most special old towns.

26、太极拳

太极拳(Tai Chi)是一系列缓慢的动作，旨在修炼身心。它就像是一种舞蹈，却不需要你随音乐起舞，而是需要你向内看，聆听内心的节奏。它创自数千年前，原本是一种武术(martial art)——一种自卫的技艺。然而，它的武术方面如今不太流行

了。目前，全世界成千上万人练习它，主要是由于它对于人类健康的神奇作用。它将身体动作与平静、冥想的（meditative）心理状态结合起来，所以也被称作“冥想运动（meditation motion）”。

参考译文：

Tai Chi is a series of slow movements that are aimed at training us physically and mentally. It is just like a dance that requires you to look inside and dance to the internal rhythms instead of music. It was created thousands of years ago as a martial art and specifically as a defensive art. However, nowadays its martial aspect is not that popular. It is practiced by thousands of people around the world mostly because of its miraculous effects on human health. It is often called "meditation in motion" because it combines the body's movements with a calm and meditative state of mind.

27、黄山

黄山位于安徽省南部。它风景独特，尤以其日出和云海著称。要欣赏大山的宏伟壮丽，通常得向上看。但要欣赏黄山美景，得向下看。黄山的湿润气候有利于茶树生成，是中国主要产茶地之一。这里还有许多温泉，其泉水有助于防治皮肤病。黄山是中国主要旅游目的地之一，也是摄影和传统国画最受欢迎的主题。

参考译文：

Mount Huang is located in the south of Anhui province. Its landscape is unique, and it is especially famous for its sunrise and sea of clouds. In order to appreciate the magnificence of this great mountain, one has to look up, but to enjoy the beautiful scenery of Mount Huang, one has to look down. Mount Huang's humid climate is fit for the growth of tea tree, and it is one of the major tea tree growing areas of China. There are also many warm springs in Mount Huang, whose water is helpful for the prevention and treatment of skin diseases. Mount Huang is one of the major tourist destinations in China, and is also the most popular subject of photography and traditional Chinese paintings.

28、方言

中国幅员辽阔，人口众多，很多地方人们都说自己的方言。方言在发音上差别最大，词汇和语法差别较小。有些方言，特别是北方和南方的方言，差异很大，以至于说不同方言的人常常很难听懂彼此的讲话。方言被认为是当地文化的一个组成部分，但近年来能说方言的人数不断减少。为了鼓励人们更多说本地方言，一些地方政府已经采取措施，如在学校开设方言课，在广播和电视上播放方言节目，以期保存本地的文化遗产。

参考译文：

China is a vast country with a large population, and in many places people speak their own dialects. Dialects differ most in pronunciation, but less in vocabulary and grammar. Some dialects, especially those from the north and south, are so different that speakers

of different dialects often have trouble understanding each other. Dialects are considered an integral part of local culture, but the number of people who can speak them has been decreasing in recent years. In order to encourage people to speak more local dialects, some local governments have adopted approaches, such as opening dialect classes in schools and broadcasting dialect programs on radio and television in order to preserve local cultural heritage.

29、中国菜系

中国一个幅员辽阔、资源丰富、历史悠久的多民族国家，每个民族都有其独特的丰富菜肴。地域菜系在地理环境、气候、文化传统、民族风俗和其他因素的影响下经过悠久历史的发展已经成形。最有影响力、最具代表性的是鲁、川、粤、闽、苏、浙、湘、徽菜系，这八种被人们称为“八大菜系”。中国的“八大菜系”是以多种多样的烹饪方法区分的，各有其长处。

参考译文：

China is a time-honored multi-ethnic nation with a vast territory and abundant resources, and every ethnic group has its unique abundant dishes. Regional cuisines have taken shape after long-history evolution under the influence of geographical environment, climate, cultural tradition, folk customs and other factors. The most influential and representative ones are Lu, Chuan, Yue, Min, Su, Zhe, Xiang and Hui Cuisines, which are commonly known as “Eight Major Cuisines”. Dishes in the “Eight Major Cuisines” in China are characterized by diversified cooking skills, with each having its strong points.

30、追星

“追星（star chasing）”是指人们对某个明星特别崇拜（worship），想要了解关于他/她的一切，这种行为多发生在青少年中。“追星”也是“双刃剑（double-edged sword）”，盲目地“追星”会分散精力，影响到青少年的学习。但若理性对待，它也有积极的一面。因为它可以让人拥有敬慕的对象，以他们为榜样，努力追求属于自己的成功未来。总之，“追星”有利也有弊，应该取其精华，弃其糟粕，从而树立健康的生活态度和价值观。

参考译文：

Star chasing refers to one's worship for a celebrity and the strong feeling to know everything about him or her. It mainly occurs among adolescents. Star chasing is also a double-edged

sword. Blindly chasing after stars will distract the attention of the youth from their study. However, if treated rationally, it also has a positive side. With someone to respect, admire and emulate, the adolescent will strive for a successful future. In short, there are both advantages and disadvantages in star chasing. Its essence should be taken and the dross discarded so as to foster healthy life, attitudes and values.

31、节日美食

我国食品种类繁多，节日食俗也丰富多彩。春节(the Spring Festival)是我国的传统节日，人们通常从它的前夜—除夕就开始张罗了。除夕那天，家家户户都要吃很丰盛的年夜饭。因为“鱼”和“有余”的“余”读者相同，为了预示新年节庆有余，有些民族初一有吃鱼的习俗。端午节(the Dragon Boat Festival)的重要食俗就是吃粽子(rice dumpling)。粽子越做越好，品种也越做越多。在中国，吃月饼是中秋节(the Mid-Autumn Festival)最具典型意义的食俗了。农历八月十五这一天，人们都喜欢合家团聚，边饮酒赏月，边吃月饼。中秋吃月饼的习俗已有悠久的历史。

参考译文：

China has a wide variety of food, and eating customs on festivals are also colorful. The Spring Festival is a traditional festival in China, and people usually begin to bustle on New Year's Eve, the evening before the Spring Festival. On that day, every family will have a hearty reunion dinner. In order to predict a surplus for the coming year, some ethnic groups have adopted the custom of eating fish on the first day of lunar January, because the sound of Chinese character for “fish” is the same with that of “surplus”. Besides, the important custom of the Dragon boat festival is eating rice dumplings, so rice dumplings are turning better and better and the variety of them is becoming more and more diverse. In China, eating moon cakes is the most typical custom on the Mid-Autumn Festival. On the 15th day of lunar August, people like to get together and have a family reunion, drinking, appreciating the full moon and eating moon cakes which is a tradition of a long history.

32、饺子

每逢新春佳节，吃饺子(dumplings)已经成为中国的习俗。究其原因，首先是因为饺子形如金元宝(gold ingot)，人们在春节吃饺子取“招财进宝”之意；二是饺子有馅，便于人们把各种吉祥的东西包到馅里，以寄托人们对新的一年的祈望。人们常常将花生、枣和栗子等包进馅里。吃到花生的人将健康长寿，吃到枣和栗子的人将早生贵子。饺子因所包的馅和制作方法不同而种类繁多。即使是同一种水饺，亦有不同的吃法。

参考译文：

It's a Chinese custom to eat dumplings during the Spring Festival. The first reason for it is that dumplings are shaped like gold ingots. People eat dumplings during the Spring Festival, wishing to bring in wealth and treasures. The second reason is that dumplings are stuffed with fillings, allowing people to put a variety of auspicious things into it, and in this way

people pin their hopes for the next year. People often put peanuts, Chinese Dates, and chestnuts inside the dumplings. Those who eat peanuts will be healthy and live a long life; those who eat Chinese dates and chestnuts will have a baby soon. There are a wide variety of dumplings due to their diverse fillings inside and different methods of making. Even dumplings of the same kind have different ways of eating.

33、清明节

清明节(the Tomb-Sweeping Day),又称“寒食节”, 是中国人祭祀祖先最重要的节日。清明节源于周朝, 有 2000 多年的历史。清明是中国 24 节气(24solar terms) 之一, 它预示着春天的来。寒食节是人们为祖先扫墓、吃冷食的节日。清明与寒 食节相连, 因此二者后来渐渐地成为一个节日, 扫墓和吃冷食成了清明的习俗。清明成了富有文化含义、意义重大的纪念节日。从古时起, 就有很多有关清明的艺术作品和诗作。其中, 唐代诗人杜牧写的《清明》家喻户晓。

参考译文:

Tomb-Sweeping Day, also known as "Cold Food Festival" is the most important festival for Chinese people to offer sacrifices to their ancestors. It sprang from the Zhou Dynasty, with a history of over 2,000years. Qingming is one of the 24 solar terms in China, showing the coming of spring. Cold Food Festival is a day when people sweep the ancestors' tombs and eat cold food. Qingming was close to the Cold Food Festival, so later on they gradually became one festival, and sweeping tombs and eating cold food turned into the customs of Qingming. Qingming has evolved into a culture-rich and meaningful remembrance day. Since ancient times, there have been a lot of works of art and poems about Qingming. Of these, the Tomb-Sweeping Day composed by the poet Du Mu in the Tang Dynasty is a household name.

34、24 节气

24 节气(24 solar terms)是统称, 包括 12 节气 (12 major solar terms)和 12 中气 (12 minor solar terms),它们彼此之间相互关联。24 节气反映了天气变化, 指导农 业耕作, 也影响着人们的生活。春秋战国时期, 人们开始使用节气作为补充历法 (calendar)。公元前 104 年, 24 节气最终确立。众所周知, 中国是个有着悠久农业发展史的国家。农业生产受自然规律影响极大。在古代, 农民根据太阳的运动安排 农业生产活动。24 节气考虑到了太阳的位置, 这就是我们重视它的原因。

参考译文:

The 24 solar terms are the whole name of the system that consists of 12 major solar terms and 12 minor solar terms linked with each other. It reflects climate change, guides agriculture arrangements, and also affects people's life. In the Spring and Autumn Period and the Warring States Period, people began to use solar terms as the supplementary calendar. It was in 104 B. C. that the 24 solar terms were finally set down. As we all know, China is a country with a long history of agriculture. Agricultural production is largely influenced by the laws of nature. In ancient times, farmers arranged their agricultural activities according to the move of : the sun. It is the fact that the 24 solar terms take into account the position of the sun that makes us attach importance to it.

35、庙会

庙会(temple fair)是中国的一种传统民俗活动。有传说认为，庙会源于古人祭祀土地神(village god),后来渐渐演变成商品交易市场和文化表演场所。庙会通常在庙里或寺庙附近的露天场地举行，时间常在节日或特定的日子。有些庙会只在春节举行。尽管不同地区的庙会时间不同，但是内容相似。农民和商人出售自己的农产品、玉器、花鸟鱼虫等；工匠摆摊展示并出售手工艺品；民间艺术家搭建舞台表演歌舞；普通民众来庙会购买商品、观看表演以及品尝特色小吃。

参考译文：

The temple fair is a traditional folk activity in China. Legend has it that it originated in ancient times when people offered sacrifices to the village god, which later gradually evolved into a marketplace for people to exchange products and a place for a cultural performance. The temple fairs, usually on the open ground or near a temple, are held on festivals or specified days. Some are held only during the spring festival. Although different places hold their temple fairs on various dates, the contents are similar. Farmers and merchants sell their farm produce, jade articles, flowers, birds and fish, etc.; craftsmen set up their stalls to show and sell their handicrafts; folk artists establish a stage for singing and dancing; ordinary people come to the temple fair to buy goods, watch the performances and eat special snacks.

36、小年

小年(the Little New Year)比农历新年早一个星期，也称祭灶节(the Kitchen God Festival)。灶神监察家家户户的道德品质。春节最特别的传统，就是小年时 烧一张灶神(Kitchen God)像，送灶神的灵魂上天汇报这个家庭过去一年中的作为。之后，人们在火炉旁张贴新的灶神像，迎接灶神归来。接下来一年，灶神会监督并保护这家人。由于灶神和农历新年有密切联系，使得灶神节被称为小年。现在尽管在小年这天祭祀灶神的家庭少了,但是很多传统节日活动仍然很流行。

参考译文：

The Little New Year, which falls about a week before the Lunar New Year, is also known as the Kitchen God Festival. the kitchen God oversees the moral trait of each household. As one of the most distinctive traditions of the Spring Festival, a paper image of the Kitchen God is burned on Little New Year, dispatching the god's spirit to Heaven to report on the family's conduct over the past year. The Kitchen God is then welcomed back by pasting a new paper image of him beside the stove. Then the Kitchen God will oversee and protect the household in the following year. The close association of the Kitchen God with the Lunar New Year has resulted in the Kitchen God Festival being called the Little New Year. Although very few families still make sacrifices to the Kitchen God on this day, many traditional festival activities are still very popular.

37、泼水节

泼水节(the Water-Splashing Festival)是傣族(the Dai minority)最隆重的传统节日。泼水节一般于公历四月中旬开始，持续 3-7 天。在傣族的历法中，泼水节就是新年。

在云南省众多的少数民族节日中，泼水节影响力最大、参与人数最多。泼水节这一天，傣族人盛装打扮，带着清水到佛寺。他们首先为大佛(Buddha)沐浴，接着开始互相泼水，以此带来好运、快乐和健康。你被泼的水越多，你得到的幸运将越多，你的生活将越幸福。傣族人也邀请其他少数民族和游客共同庆祝泼水节。

参考译文：

The Water-Splashing Festival is the most ceremonious traditional festival of the Dai minority. It usually begins in mid-April of the solar calendar, lasting three to seven days. The Water-Splashing Festival is the New Year on the Dai calendar, and also a festival with the largest influence and maximum participating population among lots of minority festivals in Yunnan Province. During this festival, Dai People will get dressed up and carry clean water to the Buddhist temple. They will first take a shower for the Buddha and then begin to splash water with each other for bringing good luck, joy, and health. The more water you are splashed, the more luck you will have, and the happier you will be. Dai People will also invite people from other ethnic minorities and tourists to celebrate the festival together.

38、中国结

中国结(Chinese knotting)是中国典型的本土艺术。它的特点是每一个结都是由一根绳索编成的，并由其特定的外形和意义来命名。中国结的传统源远流长。在古代，由于没有现在的配件，如纽扣或拉链，人们不得不把服装带打结，来绑住他们的衣服。多年来，中国结从原来拥有实际用途演变成一种优雅的、丰富多彩的工艺品。今天，人们喜欢中国结，是因为其形式特别、色彩多变并且意义深厚。

参考译文：

Chinese knotting is a typical local art of China. Its characteristic is that every knot is made with a single rope and named by its specific form and meaning. The tradition of Chinese knotting enjoys a long history. Without present-day accessories such as buttons or zips, ancient people had to knot the clothing belt so as to tie their dresses. Over the years, Chinese knot has now evolved to a kind of elegant and colorful artware from owning practical use. Today, people are fond of Chinese knot for its characteristic form, colorfulness and profound meaning.

39、汉字

汉字(Chinese characters)是世界上最古老的文字之一，也是使用者最多的文字。汉字多达 6 万个，但常用的基本汉字只有 6000 个左右。据权威专家估计，汉字有 5000 多年的历史，最初源于记录事情的图片。从古至今，从甲骨文(Jiaguwen) 到我们今天书写用的楷体 (Kaiti)，汉字的形式和结构发生了很大改变。历史上，汉字被朝鲜、日本、越南等国借鉴，因此也促进了国际交流。在现代，中国人民用各种方法将汉字输入电脑，进行信息处理。事实证明，汉字充满了生机与活力。

参考译文：

The Chinese characters are one of the oldest characters in the world and are used by most users. Chinese characters are up to 60,000, but only about 6,000 basic ones are often

used. Authorities estimate, Chinese characters have a history of over 5,000 years, and they originate from pictures for keeping records. From ancient to modern times, the forms and structures of Chinese characters have changed much, evolving from Jiaguwen (oracle bone script), to Kaiti(regular script) we use now. In history, Chinese characters were borrowed by Korea, Japan, and Vietnam, thereby improving international communication. In modern times, Chinese people have by many means solved the problem of inputting Chinese characters into computers to serve information processing. It has been borne out that Chinese characters are full of vigor and vitality.

40、元宵节

元宵节(the Lantern Festival), 又称上元节, 于每年农历(lunar calendar)正月十五庆祝。元宵节之夜也是农历年第一个满月之夜, 象征着春的回归, 它被视为家庭团聚佳期。根据中国习俗, 元宵节之夜, 人们点亮精致的灯笼, 外出赏月、放烟花、猜灯谜、吃元宵, 庆贺佳节。有些地区甚至举行民俗表演, 如耍龙灯、舞狮、踩高跷(stilt walking)等。元宵节是中国重要的传统节日, 已有 2000 多年的历史, 今天, 在国内外, 这个节日仍十分受欢迎。这一天, 有中国人的地方都将举行一些繁忙的庆祝活动。

参考译文:

The Lantern Festival, also known as Shangyuan Festival, is celebrated on January 15th on the Chinese lunar calendar. It is the first full moon night in Chinese lunar year, symbolizing the coming back of the spring. The Lantern Festival is deemed as a good day for family get-together. According to the custom of China, people on that night will carry nice lanterns and go out to appreciate the moon, light fireworks, guess lantern riddles, and eat sweet dumplings to celebrate the festival. Some places even have folk performances such as playing dragon lanterns, lion dance and stilt walking. The Lantern Festival, an important traditional Chinese festival which has been in existence for over 2,000 years, is still very popular in China, even overseas. And any place in which Chinese people live will experience busy activities on that day.

41、宫保鸡丁

宫保鸡丁(Kung Pao Chicken)由鸡丁、花生和红辣椒做成, 是著名的传统川菜。这道菜以晚清时期的官员丁宝桢的名字命名。据说, 丁宝桢很喜欢吃, 尤其是“爆炒鸡丁”。丁宝桢在四川做巡抚(governor)时, 他常常以爆炒鸡丁宴请宾客。为了迎合四川宾客的口味, 丁宝桢改良了他最爱的“爆炒鸡丁”, 加入了红辣椒。结果, 辣的鸡丁比以前更美味。丁宝桢后来被授予“太子少保(Palace Guardian)”的官衔, 也就是“宫保”。为了纪念丁宝桢, 人们把他最爱的这道菜命名为“宫保鸡丁”。

参考译文:

Kung Pao Chicken, made with diced chicken, peanuts and chili pepper, is a famous traditional Sichuan dish. It was named after Ding Baozhen, a court official in the late Qing Dynasty. It is said that Mr.Ding was fond of food, especially “stir-fried diced chicken”. While he was governor in Sichuan Province, he often entertained his guests with this dish. In order to cater to his Sichuan guests' taste, Ding improved his favorite

“stir-fried diced chicken” by putting chili pepper into the ingredients. As a result, the dish with its spicy flavor was more delicious than ever. Since Ding was later granted the title “Palace Guardian”, also called Kung Pao, people named his favorite dish “Kung Pao Chicken” in order to commemorate him.

42、年糕

过年吃年糕(New Year cake)是中国人的风俗之一，年糕是过年必备的食品。年糕在我国已有 2000 多年的历史了，至今仍受人们的喜爱。它是用米粉 (rice flour)蒸制而成的食品。年糕分南式、北式两种。南式以广东、苏州年糕为最好，其香味纯正，口感细腻，不软不硬。煮时不融，煎时不化。深受人们喜爱。炒年糕是年糕的特色吃法。它有很多种做法，不同的做法用到不同的原料，每一种都美味可口，营养丰富。

参考译文：

It is one of Chinese customs to eat New Year's cake during the Spring Festival. New Year cake is an essential food prepared for the Chinese New Year. It has a history of over 2,000 years in China and is still popular nowadays. It is steamed food made of rice flour. There are two kinds of New Year cake: the southern style and the northern style. Those made in Guangdong and Suzhou provinces are the best among southern style New Year cakes, because they are pure in fragrance, delicate in taste, and neither hard nor soft. They do not melt when cooked and fried, so they are warmly welcomed by people. Fried New Year cake is a unique method of eating new Year cakes. It can be cooked in many ways, and different methods require different ingredients, each of which is delicious and nutritious.

43、刺绣

刺绣(embroidery)是中国艺术中一颗璀璨的明珠。从华丽的龙袍到今日的时装，刺绣为我们的文化和生活增添了许多乐趣。中国记载的最古老的刺绣可追溯至商朝。在当时，刺绣象征着社会地位。随着国民经济的发展，刺绣走进普通人的生活。对于足不出户的女子来说，刺绣是一种优雅的工作。想象一下，一位美丽的年轻女子在家刺绣：一针一线，她为爱人绣一对鸳鸯(mandarin duck)。寒冷的冬日，屋子里充满香气。多么美丽动人的画面啊！

参考译文：

Embroidery is a brilliant pearl in Chinese art. From the magnificent dragon robes worn by emperors to today's fashions, embroidery adds a great deal of pleasure to our culture and life. The oldest embroidery on record in China dates from the Shang Dynasty. Embroidery in this period symbolized social status. As the national economy developed, embroidery entered the life of the common people. Embroidery was an elegant task for ladies who were forbidden to go out of their homes. Imagine a beautiful young lady embroidering at home: stitch by stitch, she embroiders a pair of mandarin ducks for her lover. It is a cold winter day and the room is filled with a sweet smell. What a touching and beautiful picture!

44、中国红

当我们提到“过年”的时候，你脑子里首先想到的是什么？有红灯笼、红对联(couplets)、红爆竹和红色的中国结。的确，红色对于中国人是不可或缺的一种颜色。中国红意味着平安、喜庆、和谐、团圆，意味着事事顺利、祛病除灾。有人这么形容中国红：中国红吸纳了朝阳最富生命力的元素，采撷了晚霞最绚丽迷人的光芒，凝聚着血液最浓稠活跃的成分，融入了相思豆(jequirity)最细腻的情感，浸染了枫叶最成熟的晚秋意象。

参考译文：

When we talk about "Chinese New Year" what occurs to your mind first? They are red lanterns, red couplets, red firecrackers and red Chinese knots. Indeed, red is an indispensable color for Chinese people. Chinese red means peace, joy, harmony, and reunion; it also means everything goes well and it can drive away illness and disaster. Someone describes Chinese red in this way: Chinese red absorbs the most dynamic element of the rising sun; it picks the most beautiful and charming light of sunset glow; it embodies the thickest and most active ingredient of blood; it contains the most delicate emotions of jequirity; and it shapes the most: mature imagery of maple leaves in late autumn.

45、面条

面条并不是中国饮食的专利。在面条发明者的问题上，中国人和意大利人相争了多年。其实面条是世界性的大众食品，许多民族都有独特的制作方法，仅是中国面条的做法就有成百上千种。面条在中国历史悠久，分布甚广。面条制作简单，并可根据个人的口味和地方习惯，加入不同佐料(condiments)制成咸面、甜面、辣面以及牛奶、鸡蛋、番茄等多种面条，并可采用煮、蒸、炒、拌等多种烹调方法，因此很受消费者欢迎。

参考译文：

Noodles are not exclusive to Chinese diet. For years, there has been a heated debate on the inventor of noodles between Chinese and Italian people. In fact, noodles are popular food around the world. There are unique methods of making noodles in many countries. Just China, there are hundreds of methods. Noodles have a long history in China and are distributed widely. They are easy to make and by adding different condiments, they can be made into salty noodles, sweet noodles, spicy noodles and noodles with milk, eggs, tomatoes, and so on, according to individual flavor and local customs. Besides, noodles can be cooked by boiling, steaming, frying, stirring and mixing, so they are warmly welcomed by customers.

46、四大发明

中国古代四大发明(the Four Great Inventions)—造纸术、火药、印刷术、指南针对全世界产生了巨大而深远的影响。纸张的发明大大促进了文明的传播与发展。火药的发明非常偶然，炼丹师(alchemist)在制作长生不老药(elixir)的时候偶然制成了火药。唐代末期，火药被用于战争，13世纪时传到了全世界。在唐代印刷术的基础上，北宋毕昇发明了活字印刷术(movable-type printing),开启了印刷史上的伟大革命。中国

古人利用天然磁石制成了第一台可以辨别方向的指南针，大大增强了船只的远航能力。

参考译文：

Papermaking, gunpowder, printing and compass are the Four Great Inventions of ancient China that have exerted a great and far-reaching impact on the entire world. The invention of paper greatly contributed to the spread and development of civilization. The birth of gunpowder was quite accidental. It was invented inadvertently by alchemists while attempting to make an elixir. At the end of the Tang Dynasty, gunpowder was used in military affairs and was spread to all over the world in the 13th century. On the basis of printing in the Tang Dynasty, BiSheng in the Northern Song Dynasty invented the movable-type printing, which launched a great revolution in the history of printing. Natural magnets were made into the first direction-finding compass by ancient Chinese people, which greatly improved a ship's ability to navigate over long distances.

47、丝绸

一想到中国，人们脑海中闪现的第一件事便是丝绸。中国是丝绸的发源地，今天仍在生产一些世界上最好的丝绸。在中国，探索丝绸奥妙最好的地方是苏州。正是在那里，诞生了第一批丝绣(silk embroidery)，如今苏州仍在生产中国最好的丝绸。丝绸可以用合成纤维(synthetic fibre)和人造纤维等制成，但最优质的丝绸是由桑蚕丝(mulberry silk)制成的。桑蚕(silkworm)纯粹以桑叶喂食。苏州丝绸可以制成很多产品，最常见的是衣服和围巾，但也能做成鞋、餐巾、玩具，甚至风筝。

参考译文：

When people think of China, silk is the first thing that pops into their minds. China is the birthplace of silk, and still produces some of the finest silk in the world. In China, the best place to discover the wonder of silk is the city of Suzhou. It was there that some of the first silk embroideries were born, and Suzhou is still producing the best silks in China. Silk can be produced from synthetic fiber and artificial fiber, etc. but the finest quality silk is made from mulberry silk. The silkworms are fed purely on mulberry leaves. Suzhou Silk can be made into a great many products, the most common being clothing and scarves, and it can be made into shoes, napkins, toys, and even kites as well.

48、兵马俑

兵马俑(terra-cotta warriors and horses)即制成兵马形状的殉葬品(sacrificial objects)。兵马俑坑是秦始皇陵的陪葬坑(pit)，其面积有 50 多个篮球场那么大。一个有趣的发现是：几乎我们每个中国人的容貌都能在古老的兵马俑中找到“模子”。有人曾这样描述兵马俑，“世界上有七大奇迹，兵马俑的发现可以说是第八大奇迹。不看兵马俑，不能算来过中国。”秦始皇兵马俑博物馆是中国最大的古代军事博物馆。秦始皇兵马俑是世界考古史上最伟大的发现之一。

参考译文：

The terra-cotta warriors and horses are sacrificial objects in the shape of soldiers and horses. The pit of terra-cotta warriors and horses is the one buried with the First Emperor of Qin, the

size of which is equal to 50 basketball courts. It is interesting that almost every Chinese person can find for his/her face a corresponding “mould” in the terra-cotta warriors and horses. Someone once described the terra-cotta warriors and horses in this way, “There have already been seven wonders in the world, and the terra-cotta warriors and horses can be as the eighth. You can never say you have been to China without visiting the cotta warriors and horses. The Museum of Terra-cotta Warriors and Horses of Emperor Qin ShiHuang is the largest ancient military museum in China. The terra-cotta warriors and horses count as one of the greatest discoveries in the world archaeological history.

49、秦朝

秦朝是中国历史上第一个统一的、多民族的、中央集权的、封建王朝(feudal dynasty)。尽管秦朝只持续了 15 年，但是它在中国历史上扮演着重要角色，对后续朝代产生了重大影响。为了巩固国家统一，维持秦朝永传万代，秦始皇在政治、经济、军事和文化上进行了很多改革。政治上，他宣布自己就是这个国家的皇帝，手握重权。经济上，他统一了度量衡(weights and measures)和货币。另外，他还统一了文字以及车轮之间的距离。世界奇迹—万里长城也是他命令建造的。

参考译文：

The Qin Dynasty was the first unitary, multi-national and power-centralized, feudal dynasty in Chinese history. Although lasting only for 15 years, it played an important role in Chinese history and exerted a great influence on the following dynasties. To strengthen the unity of the nation and to perpetuate the Qin Dynasty, Empery or Qin Shi Huang carried out many reforms in politics, economy, military affairs and culture. In politics, he declared himself the emperor of the stale in possession of all major powers. In the economy, he standardized weights and measures as well as money. In Addition, he standardized the written characters and the distance between two wheels. The miracle of the world, the Great Wall of China was also built under his order.

50、中国银行

中国银行(Bank of China)是中国四大国有商业银行之一。它在全球范围内为个人和企业客户提供全面、优质的金融服务。自 1912 年成立以来，中国银行一直在中国的金融史上扮演着十分重要的角色。中国银行的业务范围涵盖商业银行、投资银行、保险和航空租赁(aircraft leasing)。中国银行在世界各大金融中心都开设了分支机构，并在全球 30 多个国家和地区建立起机构网络。

05、皮影戏

皮影戏(shadow play)是中国最古老的戏剧之一。它起源于 2000 多年前的古长安，盛行于唐代和宋代。在中国古代，这是一个流行的民间戏曲形式，而且它是世界电影的祖先。当时，它就像现代的电影和电视一样给人们带来欢乐。表演者跟着音乐歌唱，同时控制着皮影工具。这些戏剧的内容更多是关于传统的历史戏画中。皮影戏是世界文化和艺术大家庭中的瑰宝。

参考翻译：

Shadow play is one of the oldest operas in China. It was rooted in ancient Chang'an over 2,000 years ago and prevailed in the Tang and Song Dynasty. It was a popular folk drama in ancient China and also the ancestor of films in the world. At that time, it brought people pleasure as modern movies and TVs do. Actors sing with the music, and control shadow tools at the same time. The contents of those plays are more about traditional historical dramas and fable stories. Shadow play is the treasure among the world's culture and art.

06、酒和茶

酒和茶能给人增加生活情趣，可是不懂生活艺术的人，就享受不到这种情趣。饮酒喝茶都要慢慢品尝，细细玩味，才能得到美妙的感受。能有几样可口的小菜，两三位谈得来的朋

友，大家聚在一起小斟，那真是人生乐事。至于喝茶，就是没有朋友陪伴，也可以一人独享。如果有一杯新茶，一卷好书，坐在那儿慢慢地享受，可能比做皇帝还自在呢。

参考翻译：

Liquor and tea add spice to life, which cannot be appreciated without a knowledge of the art of life. One has to sip and savor both liquor and tea so as to appreciate their fascinating pleasures. It is great pleasure in life to drink with two or three intimate friends, while eating delicious food. As for tea, one can enjoy it alone, without the company of friends. It is more pleasurable than being an emperor to enjoy oneself in leisure with a cup of fresh tea and a good book.

07、种花赏花

种花和赏花是中国人日常的消遣。在诗人和画家的笔下，花儿更是多姿多彩。一年四季中，有许多种花儿先后开放。中国人最爱的花儿，有牡丹、荷花、菊花、梅花。春天是牡丹盛开的时节。夏天荷花盛开，它虽然从污泥中生长出来，却是纯洁芳香，很像高尚的君子。秋风吹起，树上的叶子落了，只有菊花不怕风霜，傲然开放。在冰天雪地的冬天，没有一点儿生气，梅花仍然在风雪中盛开。梅花最能代表中国人不屈不挠的精神。

参考翻译：

Planting and admiring flowers are a daily-life recreation of Chinese people. Flowers are diversely beautiful in the works of poets and painters. Many kinds of flowers appear in successive bloom through the seasons. Some of the favorite flowers in China are peonies, lotuses, chrysanthemums and plum blossoms. Spring is the ideal time for peonies. In summer, lotuses are in full bloom, pure and fragrant like noble gentlemen, though they emerge from the dirty mud. When the autumn wind blows off the leaves, the chrysanthemums blossom against wind and frost. In the lifeless winter world of ice and snow, plum blossoms are in full bloom against wind and snow. The Chinese consider plum blossoms to be representative of their own enduring spirit.

08、琴棋书画

中国人最懂得消遣，中国从前的读书人，闲暇时间以琴棋书画作为消遣。在中国人看来，艺术品的好坏，意味着作者人格的高低，所以弹琴、下棋、写字和绘画，都代表着一个人的修养。弹琴不是要做音乐家，而是随着美妙的琴声，进入一个辽阔的世界，净化自己的心灵。下棋不是为了胜负，而是磨练耐性和使人眼光远大。写字不仅是把字写漂亮，同时也是为了陶冶情操。绘画则是借着画面上的简单线条，表现自己的想象的世界。

Chinese people have the best idea about recreation. Scholars of ancient times enjoyed themselves through music, chess, calligraphy and painting in their leisure time. In the eyes of the Chinese people, the quality of the artifacts is a reflection of the character of the creator. Thus, playing musical instruments, playing chess, writing calligraphy or painting show one's culture. By playing music, one does not aim to be a musician but to enter a broader world, purifying one's soul in the beautiful music. By playing chess, one does not aim to be the winner but to cultivate patience and

foresight. By calligraphy, one aims not only to write beautifully but also to improve his mind. Through painting, one expresses an imaginary world with simple lines.

09、中国菜系

With the improvement of people's living standards and the increase in consumption level, the garbage problem in China becomes increasingly urgent. Many cities are surrounded by garbage. Confronted with the growing garbage output and deteriorating environment, the Chinese government is implementing the policy of garbage classification with great effort. Garbage classification means dividing garbage into recyclable and unrecyclable, and requires people to put garbage into different trash cans so that it can become new resources through different ways of cleaning, transporting and recycling. It can reduce not only the amount of garbage that needs to be disposed of, but also the depositing cost and the usage of the land, benefiting our society, economy, and environment.

13、音乐

尽管音乐对每个人来说，都再熟悉不过了，但是几乎每个人对 这门艺术都有自己的观点看法。什么音乐算是好的音乐，这是见仁 见智的。各个音乐风格都有自己的经典音乐作品流行的并不完全等 于经典的。一个好的音乐作品，是创作者(creator)和演奏者(performer) 双方共同努力的结果，二者相辅相成，缺一不可。

参考翻译：

While music is familiar to virtually everyone it is an art, about which everyone has an opinion. What defines "great" music is, very much, a personal issue. There is "great" music in every style but what is popular does not always define the quality. Music is a joint effort between the creator and the performer and one cannot exist without the other.
